Note:

All summerhouses come with glazed double doors, two windows on the front, and one on each side panel.

All windows are roughly 4ft in length but can be changed by request.

Glass is 4mm thick as standard, but can be changed to safety glass, toughened, or double glazing.

EXTRAS

Opening Windows £60
Stable Door £50

All summerhouses are custom built, so any extras including roof overhang, decking veranda, partitions or shelves can be added and priced at customer's request.
